

Sub: The Jal Sevak Samman Communiqué

Dear Sir / Madam,

At the outset, I would like to introduce **Electrosteel Castings Limited**, a water infrastructure and pipeline solutions provider. With almost seven decades of experience, we, at Electrosteel, are fulfilling our vision of '**Carrying life to people, safe drinking water for all**'.

In this age of dwindling natural resources, conservation has assumed enormous importance, and water conservation is one of the most important issues that needs to be addressed. Since our business has a strong synergy with water we have decided to identify and felicitate Organisations and Individuals who have undertaken water conservation, quality and availability improvement initiatives and have impacted life for the better. Thus, we have constituted an annual award, Electrosteel Jal Sevak Samman, to felicitate such individuals or Organisations. This will act as a catalyst for the people to understand the importance of water as well as create a larger social impact.

It is our honour and privilege to share the **Jal Sevak Samman Communiqué** with you. The highlights of the last event can be viewed by scanning the QR Code embedded at the end of this letter, or by going to the following link:
www.jalsevaksamman.com

We look forward to your cooperation and help in identifying such Organizations and/or Individuals within your Corporation Area who have contributed significantly to the cause of conservation, quality and availability improvement initiatives and have impacted life

Thanking you,
Yours Sincerely,
